

## We eagerly await your arrival!

Dear guests,

There are only a few days left before your sailing vacations. Before you begin your journey to Greece, here is some useful information about where and how to find us!

Our base is located in the main port of Lefkada!

For your convenience, our fleet is moored at the main port of Lefkada at our privately-owned pontoon. The port is the closest one to the city center, where supermarkets and many grocery stores are located.

Before your arrival, please inform **Mrs Thalia Zakinthinou** of your arrival time.

# Useful Tips

Being well prepared for your vacations is an essential element for anxious-free holidays. Below you will find some useful tips that our experienced team would like to point out.

- 1** In order to minimize the waiting hour at our office, send us the crew list & skipper certificates two weeks prior to the embarkation. Your arrival time is of great importance to us, since a specific appointment will be arranged for you.
- 2** Plan ahead, book your transfer from the airport to our base. A private car will pick you up from the spot and drop you off at our office.
- 3** If you have light luggage to be stored, inform our team to secure a place. Soft luggage is always preferable on yachts.
- 4** During the sailing period, in case of an emergency, contact our fleet manager or base manager as soon as possible. Safety is always our first priority. Our technical team will reach out to you at no time.
- 5** For bareboat charters, in case of an incident, having insured your security deposit is always a safe pillow.
- 6** The last day before your charter ends, we will be waiting for you until 16:00 at our pontoon, where we will also assist you with the refueling of the yacht.
- 7** Do not forget to be in your best summer mood, relax and have fun. Ahoy!

Lefkas is one of the best places to start discovering the Ionian Islands while sailing! Click on the images below, to see more about each destination.

## Antipaxos

Its olive groves in harmony with its large vineyard and the chalk white coast attribute to Antipaxoi the unique beauty of an unspoilt paradise.

## Atokos

Although Atokos is a private island visitors are allowed to visit the island and swim in the crystal-clear turquoise waters.

## Corfu

The amazing island of Corfu is located in the western side of the Ionian Sea. Although Corfu is not that close to the section where most of the Ionian Islands are located, it is one of the most accessible ports of Greece!

## Ithaca

Modern Ithaca is generally identified with Homer's Ithaca, the home of Odysseus, whose delayed return to the island is the plot of the classical Greek tale the Odyssey.

## Kastos

Kastos is a low-lying, long and narrow little island covered in olive trees and at which dozens of boats sailing over the Ionian Sea moor safely each day.

## Kalamos

Kalamos is the largest of a fringe of small islands located in the region of Lefkada, surrounded by the boundless blue of the sea.

## Mainland Spots

Washed by the blue-green waters of the Ionian archipelago, the coasts of the Greek mainland offers irresistible locations, ideal for sailors!

## Meganisi

Located between Lefkada and the greek mainland, Meganissi is considered by the best, as well as the biggest and most interesting of the offshore islets in this area of the Ionian Sea.
